

# Music in the Parish

To find out more about music in the parish of Mary, Mother of God, feel free to explore below...

## The 11am Choir

The choir is an enthusiastic and noisy group, with a combined age of 212 years between them ...not that you would know by looking at their youthful countenances.

Having two practices a week enables the choir to work on new music and improving on current repertoire.

Leading the musical liturgy during the 11am Sunday Mass, the choir are embarking on a new era of discovery and would welcome any new members, regardless of age or experience.

If you think you would like to join the choir, please come along on a Wednesday evening at 1945hrs or after Mass and Benediction on a Friday evening. Alternatively, contact the Organist & Choir Leader, Liam on [marymotherofgod.music@gmail.com](mailto:marymotherofgod.music@gmail.com) or speak to Father John.

We look forward to seeing you!

# Youth Music Group

If you are a keen musician and would like to participate in accompanying our congregational singing, then please email Liam on [marymotherofgod.music@gmail.com](mailto:marymotherofgod.music@gmail.com) and tell him what your favourite hymn is and what instrument you play.

## The Organ

Built by Wyvern Church Organs, this Sonata has served the parish since c.2002.  
It has a useful range of stops which enables a wide coverage of music for the Mass.  
More information, including the specification can be found on the Wyvern website
